The use of the Lory Student Center Plaza during the fall semester is limited due to COVID-19 public health orders.

Five Key Behaviors must be taken to help reduce the spread of COVID-19 while the Plaza is in use. These behaviors will reduce individual and community risks and promote compliance with university and public health guidance:

- wearing face masks
- maintaining physical distance of 6 feet from others
- washing hands with soap and water for 20+ seconds
- avoid large gatherings
- staying home if you are sick or instructed to isolate or quarantine

The entire CSU university community will need to commit to maintaining these Five Key Behaviors.

All information in this model is meant to align with University, state, and county guidance and requirements. If anything in this plan is contradictory, University, state and county requirements take precedence. This model relies on the LSC community to partner with decision makers to adjust as needed. Much of the guidance will come from the Colorado State University Pandemic Preparedness Team, Larimer County public health department, and the Governor of Colorado, and will necessitate flexibility and updates of the phases.

University employees and students are required to complete the Daily Symptom Checker prior to coming to campus. Visitors will be asked to answer the Daily Symptom Checker questions and have their temperature checked prior to conducting business on campus. The Daily Symptom Checker is at https://covidrecovery.colostate.edu/daily-symptom-checker/.

**Five Key Behaviors**

1. **Physical Distancing**
   a. Keep at least 6 feet distance between yourself and others.

2. **Avoid Gatherings**
   a. Stay out of crowded places and avoid mass gatherings.
   b. Do not gather in groups, meetings, or events above the size indicated in the latest public health guidance.
   c. Together we can slow the spread of COVID-19.

3. **Face Coverings**
   a. When outside your living quarters, everyone is required to wear a face covering or mask over your mouth and nose.
   b. My face covering protects YOU; your face covering protects ME.

4. **Proper Handwashing**
5. Stay Home if Sick or Instructed to Isolate/Quarantine
   a. Stay home if you are experiencing flu-like symptoms, have a fever, or if you know you have been exposed to someone who has COVID-19. Refer to [CSU COVID Recovery](http://www.csu.edu/recovery) website for additional details and guidance.

**Considerations**

- This guide serves as a living document for ways to operationalize the LSC Plaza and may be amended, edited, or updated as COVID-19 guidelines from university, health, and government officials evolve.
- This guide operates under “Phase 4 – The New Normal” from the [LSC Reopening Plan](http://www.lscreopeningplan.com) which begins on August 17, 2020, and follows all recommendations set by the Pandemic Preparedness Team in line with [CSU’s COVID-19 Recovery](http://www.csu.edu/recovery).

**Outdoor Spaces**

- Maintaining at least six feet between you and others and wearing a face covering or mask are best practices to avoid exposure to and slow the spread of COVID-19 according to the Centers for Disease Control and is required on Colorado State University grounds, including all campuses, per our institutional guidelines and recommendations from the Pandemic Preparedness Team.
- Because people can spread COVID-19 before they know they are sick or may be asymptomatic (carriers of the virus without experiencing any symptoms), it is important to maintain at least six feet away from others whenever possible.
- Physical distancing and wearing face coverings or masks are important for everyone, and especially critical for people who are at higher risk and may be immunocompromised.
- Remember: wearing a face covering or mask and maintaining at least six feet distance, whenever possible, is not only helpful for you, it helps protect our entire CSU community.
- Physical distancing and wearing face coverings or masks should be followed by all members of the CSU community in all outdoor spaces, including the LSC Plaza, to create a culture where health and community good are modeled, promoted, and realized.

**Indoor Spaces**

- All individuals entering the Lory Student Center must wear a face mask or covering and maintain physical distancing of at least six feet, whenever possible.

**Traffic**

- The LSC Plaza will continue to serve as a vessel for pedestrians accessing the Lory Student Center or using it as through traffic to travel to other areas of university grounds.
- Be mindful of directional signage, wear a face coverings or a mask, and maintain at least six feet of physical distancing on the LSC Plaza when traveling between classes, meetings, work, or leisure.
Seating
- Individuals may be seated on the fixed tables or structured ledges outside the LSC.
- Wearing a face mask or covering and maintaining physical distance of at least six feet, when possible, are still highly encouraged, while seated.

Events
- All events on the LSC Plaza will need to have approval through Event Planning Services. Failure to comply will result in an event being postponed or canceled.
- Events may be amended, postponed, or canceled in order to avoid exposure to or the spread of COVID-19 and maintain the health of the university community.
- All events must promote compliance with university and public health guidance, including wearing a face mask or covering, maintaining physical distance of at least six feet, providing hand sanitizer, and tracking attendance for contact tracing purposes.
- To view the latest guidelines for events on university campuses, visit the CSU COVID Recovery page.

Tabling
- Tabling reservations on the LSC Plaza may be available to Registered Student Organizations and university departments through LSC Event Planning Services.
- Clients must sign a confirmation with LSC Event Planning indicating that they will follow the requirements for distancing, tracking interactions, and wearing masks.
- Any entity tabling on the LSC Plaza will be required to adhere to LSC and university guidelines.
- There will be a total of six reservable tables on the Plaza for Registered Student Organizations or campus departments.
  - Each table will be 20’ apart from the other tables.
  - Each table is at least 15’ from the general flow of pedestrian traffic.
  - Each table will consist of two tables together, forcing the interaction to be 6’ apart.
  - Each table will have a 3’ x 4’ acrylic barrier between the client and the guest for additional protection.
  - Each table will be provided with a spreadsheet for the client to note the names and phone numbers of each person that they interact with.
- Tape will be used on the ground with signage to indicate where pedestrians should walk, keeping space between the tables and the general pedestrian flow.
- One chair will be provided for the client or registered student organization.
- A Registered Student Organization will only be allowed to have two members present at a time, while maintaining physical distancing.
- Any handouts will have to be placed on the table for people to take without interacting with the client.
- No food will be allowed.
- Signage at each table will indicate that face coverings or masks are required to interact with the client.
- Signage in general on the plaza will indicate masks are required per CSU.
• Client will be provided with face coverings/masks by the LSC to give to someone who forget theirs.
• Client will be instructed not to engage with anyone not wearing a mask or face covering or refusing to wear a face covering or mask.
• *Some University employees and students may receive an exemption for the face covering/mask requirement. These individuals have a letter or a stick on their ID from the Office of Equal Opportunity or the Student Disability Center. You may ask for verification if an individual shares that they are exempt from this requirement. If they do not have a letter or a sticker, you can direct them to the Office of Equal Opportunity or the Student Disability Center.
• Any entity tabling on the LSC Plaza will be required to pick up any loose material and trash in their designated tabling area.

Reservations
• Student organizations and university departments will be able to reserve space on the LSC Plaza, although we anticipate those reservations will be more limited to follow public health guidelines.
• We will have specific physical distancing set-ups for all spaces on the LSC Plaza and will follow all university and public health guidelines.
• Consultations with Event Planning Services, Student Leadership, Involvement, & Community Engagement (SLiCE), Campus Activities, and the Pandemic Preparedness Team may be required.
• Reservations may be amended, postponed, or canceled to avoid exposure to or the spread of COVID-19 and to abide by university and public health guidelines.

Compliance
• These guidelines work together with the Free Speech and Peaceful Assembly Policy.
• All students, staff, faculty, and guests are expected to adhere to all university policies and protocols designed to follow public health guidelines, including but not limited to physical distancing, wearing a face mask, and staying home or sheltering in place if symptomatic to avoid exposing others and reduce the risk of COVID-19.
• Violation of university policies and protocols may warrant the involvement of the Student Resolution Center and may result in sanctions.
• Compliance with these guidelines, including the Large Event Guidelines, and the reasonable time, place, and manner restrictions, as well as any permitting obligations is mandatory. Failure to comply may result in removal from University property, employee or student disciplinary action, and/or civil or criminal liability.
PURPOSE OF THIS POLICY

The purpose of this policy is to define the University’s public forums for exercising the rights of free speech and peaceful assembly, and to advise campus constituents regarding the exercise of those rights. This policy establishes certain standards of conduct that must be observed by demonstrators and groups while availing themselves of the use of University grounds and facilities for exercising the rights of free speech and assembly.

APPLICATION OF THIS POLICY

This policy applies to all persons while on University property.

DEFINITIONS USED IN THIS POLICY

Commercial Speech or Expression: Speech, expression, and activities that are primarily intended to advertise, market, sell or promote goods and services on behalf of any person or entity that is not a CSU department or affiliated organization. Soliciting for charitable contributions or donations is considered commercial speech.

Public Forum: An area of the University recognized by the University as a traditional destination for public speech and assembly, and that may be reserved in advance for specific events or gatherings, subject to the provisions of this Policy. An example is the Lory Student Center Plaza.
**Student Forum:** As applied to students, any generally accessible, open, outdoor area on campus, as well as any nonacademic and publicly open portion of a facility that the University has traditionally made available for expressive purposes. Student forums are subject to time, place and manner restrictions that are reasonable, content neutral, narrowly tailored to serve a significant governmental interest and leave open ample alternative channels for communication of the information or message.

**Official University Event:** An event that is sponsored by a campus academic or administrative unit.

**Other Public Areas:** Areas of the University that are traditionally open to all for public discourse and expression, subject to the provisions of this Policy, such as grounds and common areas.

**Non-public area:** An area of the University that is normally not intended to be open to the general public for purposes of expressive activities or gatherings. Examples include classrooms, residence halls, academic and administration buildings, research facilities, and limited-access facilities. These areas are generally reserved for use by specific programs, or for specific purposes, and the University may limit the types of activities and gatherings in these areas as appropriate to the normal operations of the institution.

**Vendor:** Any person engaged in Commercial Speech or Expression as defined herein.

**POLICY STATEMENT**

The First Amendment to the Constitution of the United States assures that “Congress shall make no law … abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble …”. These rights to free speech and peaceful assembly are to be afforded and protected by the University. The University acknowledges the right of students and others to assemble in groups on the University campus for peaceful rallies, demonstrations, and gatherings.

The University may, consistent with the Constitution and applicable law, require compliance with reasonable time, place, and manner restrictions that are content neutral, narrowly tailored to serve a significant governmental interest and leave open ample alternative channels for communication of the information or message. Generally, such reasonable restrictions will be enforced to the extent necessary to assure the safety of the campus community and the orderly operations of the institution. The University expects the rights and privileges of all persons to be respected and that there will be no endangerments to health or safety. Such gatherings must in no way disrupt the normal conduct of University affairs or endanger University property. This policy both facilitates the exercise of these rights of free speech and assembly, and protects the University community.

Nothing in this Policy is intended to authorize or permit any activity that is otherwise unlawful.

**POLICY PROVISIONS**
Public Forum

LSC Plaza

The Lory Student Center Plaza is a public forum traditionally utilized at Colorado State University, and is open to all individuals for the purpose of exercising free speech and assembly, in accordance with the provisions of this Policy. Space on the LSC Plaza may be reserved by academic and administrative units or registered student organizations on a first-come, first-served basis.

Reservations are required for events that will make use of the entire LSC Plaza. Such events are limited to registered student organizations and campus academic or administrative units, and are restricted to three days per group, per semester, on a first come, first-served basis. Reservations are strongly encouraged to ensure the availability of space. When the LSC Plaza is reserved for an Official University Event, no other expressive activity that would disrupt the Official University Event is permitted.

A request for a reservation may be denied, and the University reserves the right to cancel or postpone any reservation or reserved use of a public forum, on one or more of the following grounds:

- Conflict with a pre-existing reservation or planned use of the location that would unreasonably interfere with either event;
- Conflict with reasonable restrictions on signage, display, erection of structures, sound amplification, or other aspects of the event that would unreasonably interfere with the health or safety of persons, protection of property, access, traffic, or the peaceful, orderly operations of the campus; or
- Inadequate notice for purposes of providing security, facilities support, or other preparations necessary for the protection of persons and property.
- Failure to comply with this Policy or the Large Event Guidelines set forth in the Campus Facility Use Manual.

The sponsoring organization and participants must cooperate with law enforcement and Lory Student Center staff with respect to all security arrangements and the Large Event Guidelines. Groups that have not reserved the Lory Student Center Plaza in advance may be asked to reschedule based on the University’s ability to safely support the event.

Upon the request of any person who is aggrieved by a decision regarding a reservation for or use of a public forum, the decision may be reviewed by the Director of SLiCE or designee, and, if the objection is not resolved, then by the Executive Director of the Lory Student Center, whose decision is final.

To avoid conflicts in the use of space and disruption of the orderly operation of the campus, and to ensure the safety of the campus community, the University does not allow for the setting up of any equipment or structures, including, but not limited to, tents, tables, booths, displays,
amplified sound equipment, etc. on the Plaza without the prior, written permission of Lory Student Center Event Planning Services. Permission may be requested by contacting the LSC Event Planning Services staff (970-491-0229) for a reservation for the desired date and location.

**Commercial Speech**

Commercial speech may be regulated by the University to a greater extent than noncommercial speech and expressive activities. The University is under no obligation to make the LSC Plaza or any other areas or facilities available for commercial activities. When permitted, commercial speech should promote an educational, rather than commercial atmosphere on campus, prevent commercial exploitation of students, and preserve the tranquility of the campus. In order to promote these objectives, the Campus Activities Director shall act as, or may designate, a coordinator for commercial events held on campus, including (but not limited to) events at the Lory Student Center Plaza. The coordinator shall be responsible for working with student organizations, other sponsors, and vendors to assure that events are in accordance with University regulations.

Solicitation of charitable donations is considered commercial speech. Where a Registered Student Organization wishes to solicit donations, other than in the LSC Flea Market, for large-scale humanitarian efforts/natural disasters (e.g., earthquake, hurricane or flood relief efforts), that Organization must receive prior approval from the Lory Student Center Governing Board. Approval is granted only for very extreme circumstances and when well-coordinated with campus departments and organizations.

**LSC Flea Market**

The LSC Flea Market is available for pre-approved commercial activities in accordance with the [Flea Market Policies](#). All commercial solicitations, presentations, signage, displays, distribution of literature, and events are prohibited unless sponsored by a registered student organization or other campus academic or administrative unit and pre-approved by the Campus Activities Director, or designated coordinator. Organizations may also be requested to seek the express approval of the University Special Events Advisory Group (USEAG).

**Other Public Areas**

While the University’s public areas are open to all for expressive activities, including any student forum available to enrolled students, whether planned or spontaneous, all events and gatherings on campus, whether or not scheduled in advance, must be for the purposes of carrying out lawful activities without undue disruption of the campus’ operations, without harming or creating a threat of harm to persons or property, and in compliance with this policy and the [Large Event Guidelines](#). Nothing in this Policy shall be construed to limit or constrain the duties and authority of the University, nor law enforcement authorities, to maintain order and protect public safety. Contact Facilities Management if free speech assemblies are desired at locations other than the LSC Plaza so that assistance can be provided in avoiding scheduling conflicts, and protecting the safety of the campus community.
Public areas are not open for commercial expression (such as solicitations and advertisements) except as provided above. See also, Colorado State University Policy on Sales and Solicitations.

Non-Public Areas

Demonstrations, amplified sound, and signage are prohibited in all non-public areas, as is any activity that interferes with academic or operational functions. Demonstrators refusing to vacate premises upon request are subject to arrest under applicable municipal and state laws and may be subject to disciplinary action by the University. Commercial expression is prohibited in non-public areas, except as provided above.

Amplification and Chalking

Amplified sound is generally prohibited on campus, but may be permitted for official University and registered student organization events with the prior approval of the Director of Campus Activities or his/her designee.

Amplified sound of voice and recorded music on the Lory Student Center Plaza is permitted when approved in advance by LSC Event Planning Services, with a reservation. Live music may not be amplified on the Plaza. The event must take place during the normal office hours of Event Planning Services. Sound levels are not to exceed 80 decibels at any time. Due to the proximity of classrooms, offices, laboratories, and the library, an Event Planning Services staff member will monitor the sound level and may require lower sound levels when necessary to avoid undue disruption of others.

Chalking is allowed only on the horizontal concrete ground (not on steps, paving stones, buildings or walls) and must be at least 15 feet away from any building entrance. To prevent property damage, only washable chalk may be used; no spray chalk, paint, or similar materials may be used on University property. Violators may be charged for the cost of cleanup.

For public safety concerns and to avoid damage to property, the following are not allowed on campus without the prior approval of the Lory Student Center Event Planning Services (for the LSC Plaza) or Facilities Management: wires, rope, chains, slacklines, and any other object that might injure oneself or others; unauthorized signage or displays; and graffiti. Violators may be charged for the costs of removal and property damage.

Other Requirements and Restrictions

Any event, demonstration, meeting, assembly, or expressive activity, as well as any persons in attendance, must comply with the following requirements and restrictions.

1. Disruptive Activity: Any act that unreasonably interferes with the rights of others to peaceably assemble or to exercise the right of free speech, disrupts the normal functioning of the University, damages property, or endangers health or safety is specifically prohibited. No person may attempt to, nor actually interfere with, impair or impede the institution’s regularly scheduled classes, events, ceremonies, or normal and essential operations.
2. Reasonable Access: The University is required by law to provide and maintain reasonable access to, and exit from, any office, classroom, laboratory, or building. This access must not be obstructed at any time. Vehicular and pedestrian traffic cannot be impeded by demonstrations or gatherings.

3. Normal Operations: The normal operations of the University (classes, scheduled meetings, events, ceremonies, or other educational purposes) must not be interfered with or disrupted.

4. Picketing: Picketing in an orderly manner in public or student forums is permitted in accordance with this Policy. Such activities should not become disruptive to University operations nor should they impede access. Picketing is not permitted inside campus buildings or other non-public areas.

5. Commercial Literature: Commercial literature may be distributed in designated public forums only (i) in the LSC Flea Market; (ii) at University events where the commercial activity has been pre-approved; (iii) through publications such as the Rocky Mountain Collegian Newspaper, whose distribution on campus is pre-approved; and (iv) on University-approved bulletin boards (in accordance with the University Policy on Signage and Posting). All other commercial solicitations are prohibited. Literature shall be distributed only from the vendor’s Flea Market table or other arranged location. Vendors shall not distribute literature by accosting individuals, taking up a position near a building access point, or blocking foot or vehicle traffic. Anyone distributing literature is responsible for cleanup of any literature on the grounds when the event concludes.

6. Symbolic Protest: Displaying a sign, gesturing, wearing symbolic clothing, or otherwise protesting silently is permissible unless it is a disruptive activity or impedes access to facilities. In addition, such acts should not block the audience’s view or prevent the audience from being able to pay attention to a lawful assembly and/or an official University event.

7. Noise-Making: sustained or repeated noise made in a manner that substantially interferes with another speaker’s ability to communicate his/her message is not permitted. Noise levels should not interfere with classes, meetings, or activities in progress or the privacy of residence hall students.

8. Unsafe Items: The display of firearms or weapons and the illegal possession of firearms or weapons, as well as the possession of torches or other items with an open flame greater than one inch, sticks, poles, shields or other items that may be used to cause injury are not permitted. Persons may carry signs or flags as long as those signs or flags are not attached to a stick or pole. In addition, depending upon the event and its location, the University may have additional restrictions that limit the possession of other items.

9. Force or Violence: Any attempt to impede, impair, or interfere with the orderly operations of the University, including official University events or other lawful assemblies, by the threat or use of force or violence is not permissible.
10. Damage to Property: Any damage to University or personal property in the course of, or as a result of, an expressive activity is prohibited. Care should be taken to ensure that University and personal property is not damaged or destroyed. This includes the campus lawns, shrubs, and trees.

11. Night Limitations: Any Public Forum, including the LSC Plaza, and any Other Public Area is closed for any event, demonstration, meeting, assembly, or other expressive activity after 7:00 p.m. and before 7:00 a.m., unless a prior reservation has been approved by the University (subject to this policy and the Large Event Guidelines), and any such reservation is limited exclusively for Official University Events.

12. Temporary Changes: The University may temporarily restrict expressive activities or change the physical characteristics of an area through the use of barricades, fences or other temporary structures or devices in areas that are otherwise open for expressive activities when needed for safety or security reasons or for Official University Events.

13. Other Laws and Rules: All applicable laws, rules and regulations (including, but not limited to, the Student Conduct Code, Human Resource Manual, Academic Faculty/Administrative Professional Manual, Campus Facility Use Manual, CSU Policy on Signs, Posters and Banners, and CSU Policy on Food and Beverage Sales and Service) must be followed whenever engaging in activities on campus.

COMPLIANCE

Compliance with this Policy, including the Large Event Guidelines, and the reasonable time, place, and manner restrictions, as well as any permitting obligations is mandatory. Failure to comply with this Policy may result in removal from University property, employee or student disciplinary action, and/or civil or criminal liability.
